

The Sacramento City Unified School District

Our Vision

Create a world-class educational system, pre-kindergarten through adult, that enables all students to excel in the new millennium.

Our Mission

The Sacramento City Unified School District provides all students the knowledge, skills, and educational opportunities to achieve high academic standards and be successful in a changing global society.

Guiding Principles

Personal responsibility drives the actions of each member of our Learning Support Units;
All stakeholders are honored, valued and included in the design, implementation and monitoring of work around essential areas and issues;
Analysis of agreed upon data is used to measure outcomes and revise practice;
Budget decisions and program strategies are based on the academic, social and emotional needs of all students.
